Feedback Analysis Report Collected From Different Stakeholders
For the Academic Year 2017-2018

As a regular practice of the institute, the feedback committee of the college collected offline feedback from students on teachers, teaching and learning process provided to them and also collected feedback from Alumni about their overall views and opinion on teaching and learning process, Placement, Various resources available in the college. And their responsibility to help the institution.

1. Most of the students agreed that all the teachers have good, current knowledge of their subject. All of them have ability to integrate course material with environmental other issues to provide a broader perspective, ability to integrate content with other courses. All of them are sincere and committed to their duties of teaching and learning.

2. Most of the Alumni agreed that quality of academic resources namely teachers, teaching and learning material is good. Sufficient books and reference books are available in the library. They have also agreed that college arranged various programs for achieving social exposure and awareness. Regular counselling of the students regarding career opportunities and options available in Market
