Subject: Letter for Appreciation.

Respected Sir,

We are writing this letter to extend my heartiest appreciation towards you for delivering such a wonderful lecture at State Level Webinar on "Guidelines of Women's Grievance Redressal Cell" held at our college on 12th August ,2021. We truly appreciate the way in which you put this subject in a very simple language in front of us. It was to my amazement when I came to know that you are a part of Women's Grievance Redressal Cell for various institutions. We, once again, would like to thank you and also appreciate you for your hard work in your field and hope to get a chance to meet you again. We wish you a success in the field of your work ahead.

Yours sincerely

A report on Webinar on "Guidelines of Women's Grievance Redressal Cell"

Women's grievance redressal cell of Amruteshwar Arts, Commerce and Science College, Vinzar organized a one day state level webinar on "**Guidelines of Women's Grievance Redressal Cell**" on 12 August 2021. As per the guidelines given in the "THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013" it is compulsory for each employer to constitute such a cell in the institute. At many places we see that the working of this cell is limited to the complaint received. Thus main motivation behind this programme is to bring awareness in working policy, area of the work and the authorities of this cell.

Due to Covind-19 pandemic situation the programme was organized through online mode. We have personally invited teachers of various schools and colleges in Velhe district. We got a huge response for this webinar from all over the Maharashtra. About 80 participants actively participated in the webinar. In the feedback many people demand more such a programmes in future.

The programme was conducted through ZOOM portal along with the broadcasting of programme on YOUTUBE for those who could not able to join the Zoom meeting.

With respect to the theme of the programme we invited **Mrs Suvarna Gokhale** madam from Jnana Prabodhini, Pune. She has a huge experience in this field and she is a member grievance cell of various institutions. She focuses on necessity of such cells and legal aspect regarding working of cell. She shares her experiences to elaborate various ways to handle the crises.

Whole programme is anchored by Dr. Seema Bagul. Preface of the programme is presented by Prof. Jyoti Bhate. Mr. Nadakumar Sagar (Director Samaj Shikshan Mandal) and Dr. Sanjeev Late (Principle Amruteshwar Arts, Commerce and Science College, Vinzar) expressed their wishes to all the participants. Mms. Pratibha Swami(Jnana Prabodhini) introduced the speaker Mrs. Suvarna Gokhale and Dr. Anuja Gawade concluded the programme by expressing the vote of thanks.

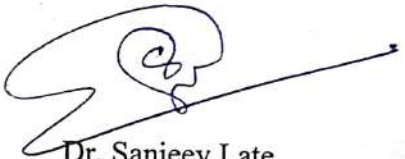

A sound technical support for smooth conduction of the programme was provided by Prof. Manojkumar Tapare and Dr. Yogesh Shrikhande. A back stage work such as Google forms, registration link, e-certificate distribution is effectively done by Dr. Rahul Kamble and Prof. Prakash Chikte.

Around 80 participants were joined through the zoom meeting and are directly benefited by this activity.

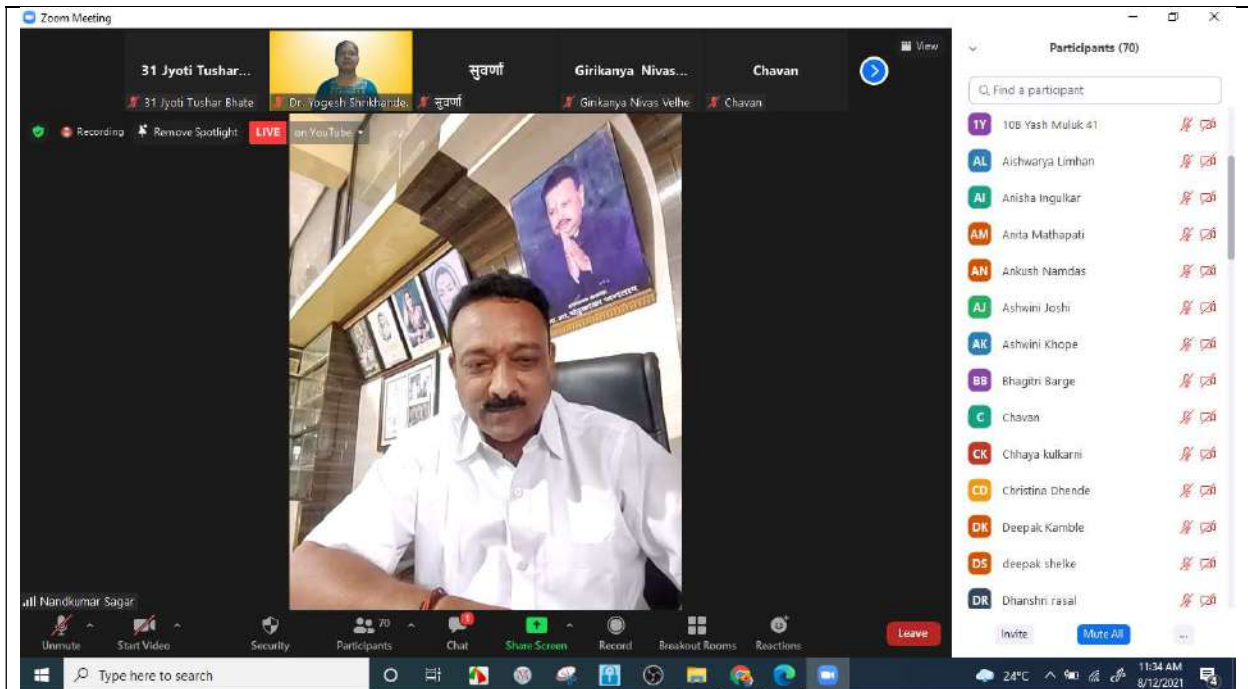

All teaching and non-teaching staff member of Amruteshwar Art's, Commerce and Science College, Vinzar worked hard for successful execution of the programme.

Subject: Invitation for the demonstration of Science Experiment under Science Promotion Programme.

Respected sir,

We are pleased to invite you for the demonstration of Science Experiment under Science Promotion programme at our college. The Amruteshwar Arts, Commerce and Science College, Vinzar is situated in the hilly area of Pune district. The Velhe taluka is enlisted as one of the Hilly tehsil by the central government. The total number of enrolment of the college is 650 out of which the 250 student are admitted to the faculty of science (including 100 junior science college and 150 senior science college). For the spread of science education in Velhe taluka and effective enrichment of the curriculum, faculty of science established "Amruteshwar Science Forum" through which faculty reach almost all the students who learning in various schools of Velhe taluka. The students are inspired to acquire the science education and bring them in to the main stream science education. In order to fulfil the thrust of student's science education, we are requested you to conduct a one day workshop on science experiment demonstration for our college students possibly on 08 September 2021.

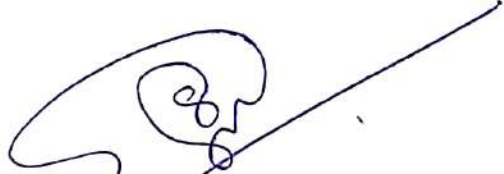

We kindly request you to accept our invitation and acknowledge the same. Your co-operation is highly solicited in this regards.

Thank you.

Subject: Letter for Appreciation.

Respected sir,

We are writing this letter to extend our heartiest appreciation towards you for demonstrating such a wonderful Science Experiment and current research updates in one day workshop on "Science toys: Preparation, Fun and Learn" at Amruteshwar Arts, Commerce and Science College, Vinzar. Today total 83 science students take a benefit of your lecture and toys preparation demonstrations.

We truly appreciate the way you have given a lecture, demonstrate the science experiment through science toys, and cleared everybody's doubts. It really helps students for better science experiment understanding. It was to our amazement when we came to know that you have made lot of contributions in the field of Science awareness. We, once again, would like to thank you and appreciate you for your hard work and contribution in this field and hope to get a chance to meet you again. We wish you a success in the field of science ahead.

Thank you.

A report on Webinar on "Gender Equality"

Women's grievance Redressal cell of Amruteshwar Arts, Commerce and Science College, Vinzar organized a one day state level webinar on "**Gender Equality**" on 29 September 2021. Due to Covind-19 pandemic situation the programme was organized through online mode. We got a huge response for this webinar from the students. About 60 participants actively participated in the webinar.

The programme was conducted through ZOOM portal along with the broadcasting of programme on YOUTUBE for those who could not able to join the Zoom meeting.

With respect to the theme of the programme we invited **Mrs. Gauri Kapare** madam from Jnana Prabodhini, Pune. She has a huge experience in this field. She specially working in rural area and knows about a so called culture in farmers house. Her experience and sharing are really valuable.

Around 60 participants were joined through the zoom meeting and are directly benefited by this activity.

All teaching and non-teaching staff member of Amruteshwar Art's, Commerce and Science College, Vinzar worked hard for successful execution of the programme.

Subject: Invitation as a resource person for one day workshop on IPR.

Respected sir,

We are pleased to invite you as a resource person for one day workshop on Intellectual Property Right. The Amruteshwar Arts, Commerce and Science College, Vinzar is situated in the hilly area of Pune district. The Velhe taluka is enlisted as one of the Hilly tehsil by the central government. The total number of enrolment of the college is about 700 out of which the about 250 student are admitted to the faculty of science. For the enrichment of the curriculum, faculty of science established "Amruteshwar Science Forum" through which faculty reach almost all the students learning in the rural and hilly area specifically from school. The students are inspired to acquire the science education and bring them in the main stream science education. In order to fulfil the thrust of student's science education and get acquainted with the process of IPR, we are requested you to conduct a one day workshop on **06th January 2022**.

We kindly request you to accept our invitation and acknowledge the same. Your co-operation is highly solicited in this regards.

Thank you.

A report on one day workshop on
"Intellectual Property Rights"

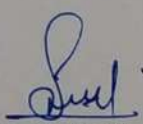

On the occasion of celebration of silver jubilee year of the college Amruteshwar science forum of Amruteshwar Arts, Commerce and Science College, Vinzar organized a one day workshop on "**Intellectual property rights**" on 06th January 2022. The programme got a huge response from the students of all three faculties of the college. About 80 participants actively participated and benefited from the workshop.

We invited Dr. Sonwane Hiralal, Assistant professor from Prof. Ramkrishna More College, Akurdi Pune. Dr. Sonawane has good command over the subject and has sufficient experience. He started his talk with all basic terminology in the IPR and explains the difference between invention and discovery. He well differentiates between process patent and product patent. He also introduced the students with copy right, GI, Designs, Product and Process. He also explains the whole process and various methods of filing the patent.

He also focused on need for awareness regarding IPR in India. According to him out of box thinking and keen observation are essential tools to work on this field. He pointed out that importance of IPR in overall growth of nation. He introduced various acts regarding IPR.

He also introduce student with new area of the carrier as Patent Examiner. At the end of the programme all questions and doubts of students are addressed. Thus 80 students are benefited through this activity.

All teaching and non-teaching staff member of Amruteshwar Art's, Commerce and Science College, Vinzar worked hard for successful execution of the programme.

Nirbhay Kanya Abhiyan Report

Nirbhay Kanya Abhiyan workshop was jointly organized by student development cell and Savitribai Phule, Pune University, Pune. With the objectives of developing courage, confidence, defense skills, critical mind, and commitment to society among the girls. Student are given training in health, personality development, gender equality and Pre-marriage counselling.

As per UGC and SPPU directives Samaj Shikshan Mandal's Amruteshwar, Arts, Commerce and Science College conduct diversified programs and take initiative in Women empowerment and self defence. In the same regard following programs were conducted under Nirbhay Kanya Abhiyan.

Mrs. Vishakhatai Velenkar-Self Empowerment (Jnana-Probodhini, Pune)

Vishakhatai Velankar from last 20 years working as a facilitator and coordinator for sexuality education group of Jnanaprabodhini Samvadini for adolescent children from rural as well as urban area. Took a session on self-motivation for students. It was a very inspiring lecture.

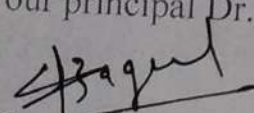

Mangal Tupe- 'Swayam Vikasatun Samaj-Parivartan(M.S.W.)

Conducted lecture on Swayam vikasatun samaj parivartan, she guided our students about how to develop yourself and simultaneously development of our society. Students gave a very good response and motivated by the speech.

Mrs Sadhanatai Sethiya-Pre-Marital Counseling (Jnana-Probodhini, Pune)

Under this scheme team of Jnana Pro-bodhini conducted workshop on the topic 'Pre-Marital Counseling' on 17/02/2022. For this workshop Mrs. Sadhanatai Sethiya and Mrs. Sadhna Sethiya from Jnana Prabodhini were present as a chief guest. While speaking on the topic of premarital counseling, Sadhanatai said, there are few things that girls needs to be considered very carefully for getting married. She also stated that girls should cultivate their values even after marriage. They should not give up or compromise with their values they should develop the confidence to express their thoughts clearly. Her thoughtful tips and wise advice gave students a clear understanding about Marriage.

The entire workshop was successfully conducted and concluded under the guidance of our principal Dr. Late .S. S.

A report on Women's day programme

On the occasion of international women's day, women's grievance redressal cell of Amruteshwar Arts, Commerce and Science College, Vinzar organized a one day state level webinar on "**Women's day: A step towards women empowerment**" on 08 March 2021. A motivation behind this is to think about and percolate the purpose of women's day among the students. Also, to create the awareness about gender equality in the society.

Due to Covind-19 pandemic situation the programme was organized through online mode. Registration for the programme was done through Google form circulated among WhatsApp groups of various colleges a week before the programme. Around 236 participants were registered for this programme. Programme was conducted through ZOOM portal along with it the programme was broadcasted on YOUTUBE for those who could not able to join the Zoom meeting.

With respect to the theme of the programme two speakers were invited to deliver a talk. Our first speaker **Prof Pratima Pardeshi** delivered a talk on "**Women's day and relevant references.**" She focused on the need of enlightenment on gender equality in the modern word. She insists that it should be start with changing habit of work distribution in our daily routine. Finally she greets all women participant and give a three word message "to unit, to fight and to win". Second speaker **Advocate Nitin Daswadkar** delivered a talk on "**A law for the Indian women.**" He discussed various provisions in our constitution made for the safety and overall development of the women. He mainly talks on the laws made for in-house violence. He discussed couple of case studies. Feedback forms were circulated among the participant at the end of the second session.

Whole programme is anchored by Prof. Sujitkumar Mane. Preface of the programme is presented by Prof. Jyoti Bhate. Mr. Nadakumar Sagar (Director Samaj Shikshan Mandal) and Dr. Sanjeev Late (Principle Amruteshwar Arts, Commerce and Science College, Vinzer) expressed their wishes to all the participants. Dr. Parmeshwar Gadkar introduced to first speaker Prof. Pratima Pardeshi and Dr. Sheetal Shendkar gave an introduction of second speaker Adv. Nitin Daswadkar. Dr. Deepak Shelke concluded the programme by expressing the vote of thanks.

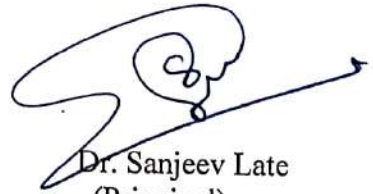

A sound technical support for smooth conduction of the programme was provided by Prof. Manojkumar Tapare. A back stage work such as Google forms, registration link, e-certificate distribution is effectively done by Dr. Rahul Kamble and Prof. Prakash Chikte.

Around 100 participants were joined through the zoom meeting and 36 were using youtube link. Thus about 136 participants were directly benefited by this activity.

All teaching and non-teaching staff member of Amruteshwar Art's, Commerce and Science College, Vinzar worked hard for successful execution of the programme.

INVITATION

It is matter of great pleasure to inform that the BOD Savitribai Phule University, Sponsored State Level conference on 'Frontiers in Basic and Applied Sciences' is being organized by Amruteshwar Arts, Commerce and Science College Vinzar, Pune. The importance of interdisciplinary sciences and its application is increasing daily. The interdisciplinary science encompasses and unifies various theoretical and application based fields such as medicine, agricultural, molecular biology, theoretical and astronomical physics, biochemistry, catalysis, heterocyclic chemistry, medicinal chemistry, and many more. There is a great need to bridge the gap between basic science and its interdisciplinary sciences. The amount of research that is happening in applied Sciences, is always increasing. These sciences is critical in transforming these discoveries into tangible benefits to society. Thus the aim of the conference will be to highlights the Frontiers in Basic and Applied sciences provided giving equal value to each branch independently while encouraging discussion where these discoveries will be considered for applications.

ABOUT SAMAJ SHIKSHAN MANDAL

Samaj Shikshan Mandal is socially conscious institute with the moto "Sarva Shresth Dan Vidya Dan" is set up for providing world class academic and technical education to the students coming from, hilly, rural and weaker socio-economical condition, to empower them to become successful and high valued citizen of nation

ABOUT THE COLLEGE

Ever since establishment in 1997 the Amruteshwar Arts, Commerce and Science college, Vinzar has made deliberate attempt to carter the diverge need of students and make them competent to take the global challenges. The present strength of 900 students reflect the academic excellence of college. The college possess good infrastructures and laboratory facility and has perform the credible work in research and extension, which has always been appreciated by stakeholders. The college is appreciated and accredited by NAAC with B grade.

Though this conference we at the Amruteshwar Arts, Commerce and Science college, Vinzar, invites academician, researcher, industry persons to share their knowledge and views in pure and interdisciplinary sciences. We hope that the put of this conference shall certainly helps the students, academician, researcher, and industry.

ABOUT THE CONFERENCE

These two days conference will be a platform for the interaction between academician, researcher, industrial personals, students, policy makers and government officials for discussing issues related to advancements in pure and applied sciences. It also provides a premier platform for researchers and academicians to present and deliberate the most recent innovations, development and apprehensions in addition to the practical challenges encountered and solutions accepted in the field of basic and applied sciences.

CALL FOR PAPERS AND POSTERS

We invite original and unpublished research work in the area of basic and applied sciences. Pertaining to the themes given herein for publication in the conference preceding with ISBN/ISSN in UGC recognized journal. The researcher and academicians are encouraged to contribute through the research abstracts, papers and posters. All submitted conference papers will be blind peer-reviewed by competent reviewers. The conference abstract and preceding book and certificate of presentation will be distributed to participants at the conference registration desk.

Reports on State Level Workshop on "Frontiers in Basic and Applied Sciences"

Amruteshwar arts, commerce and Science College, Vinzar in association with Savitribai Phule Pune University, Pune has organised two day state level on "Frontiers in Basic and Applied Sciences" during 21st and 22nd December 2018. For the conference 61 academicians and students were present. The conference was inaugurated by Mr. Pradip Phadke, Precedent of Samaj Shikshan Mandal's. For the conference Prof. Sanjay Chakane, Senate Member, SPPU, Pune, Prof. Ashok Bankar, Department of Microbiology, Abasaheb Garware College, Pune and Prof. Anil Kairnar, Department of Mathematics, Abasaheb Garware College, Pune were act as chief guest for the programme.

In the keynote address Prof. Sanjay Chakane address the importance of scientific education. He further elaborated the various type of research and research methodology to be adopted for scientific research. In the last session of the day Dr. Dnyaneshwar Mahajan delivered talk on the Carbon Conservation.

During the second day of the conference Dr. Digamber Mokate delivered talk on the "Medicinal plant". In his talk he explained the importance of the medicinal plant found in our surrounding. In the second session Prof Sudhir Arbuj from the CMET, Pune delivered talk on the nanoparticle for solar cell application.

In the last session of the conference researcher presented their research. The students were actively participated in the poster presentation session.

The conference was concluded with the prize distribution for the best poster presentation award.

INVITATION

It is matter of great pleasure to inform that the BCDU Savitribai Phule University, Sponsored State Level conference on Recent trends in Physical, Chemical, Mathematical and Life Science for Make in India is being organized by Amruteshwar Arts, Commerce and Science College Vinzar, Pune. The importance of interdisciplinary sciences and its application is increasing daily. The interdisciplinary science encompasses and unifies various theoretical and application based fields such as medicine, agricultural, molecular biology, theoretical and astronomical physics, biochemistry, catalysis, heterocyclic chemistry, medicinal chemistry, and many more. There is a great need to bridge the gap between pure science and its interdisciplinary sciences. The amount of research that is happening in interdisciplinary sciences, is always increasing. These sciences are critical in transforming these discoveries into tangible benefits to society. Thus the aim of the conference will be to highlight the recent advances in pure and interdisciplinary sciences provided giving equal value to each branch independently while encouraging discussion where these discoveries will be considered for applications.
