Internal Committee: 'Sexual Harassment at Workplace Act, 2013' (Previously known as Women's Grievance Redressal Committee)

Guidelines of Savitribai Phule Pune University regarding the functioning of the committee

Objectives of the Committee

The Internal Complaint Committee is an educational resource as well as a complaint redressal mechanism for the members of faculty, staff and students of the University. Its mandates are:

- To provide a neutral, confidential and supportive environment for members of the campus community who may have been sexually harassed
- To advise complainants of means of resolution as specified by the legislation
- To ensure fair and timely resolution of sexual harassment complaints
- To provide counselling and support services on campus
- To ensure that students, faculty and staff are provided with current and comprehensive materials on sexual harassment
- To promote awareness about sexual harassment through educational initiatives that encourages and fosters a respectful and safe campus environment

The committee seeks to inform the campus community of their right to a respectful work and learning environment. It believes that if we practice respect, exercise empathy in our interactions with others so that we do not hurt anyone through what we say or do, then we can create a campus that is free of sexual harassment.

The Committee seeks to achieve these goals through:

- **Complaint Redressal:** As per the act 'The Sexual Harassment at Workplace (Prevention, Prohibition and Redressal) Act, 2013', appropriate action will be taken once the complaint is filed.
