Best Practice I

Amruteshwar Science Talent Hunt Exam

Objectives

1. To motivate students for prospective science education after SSC and HSC education in all schools and junior colleges throughout the tehsil Velhe.
2. To create a sense of science awareness, provide guidance, necessary and valuable information to students in all schools throughout tehsil velhe.

The Context

The percentage of science students enrolled in this institution from Velhe tehsil is not up to satisfactory because of rural background, poor economical condition and weak science awareness among students and parents. In order to make increase in science awareness among students and parents throughout the Velhe tehsil, this practice is carried by the institution.

Practice

Prior information about Amruteshwar Science Talent Hunt exam is given to all SSC and HSC students in all schools and junior colleges throughout the tehsil Velhe.

Science talent hunt exam is arranged in collaboration with Department of Science.

For this best practice, we first display notice to all SSC and HSC students in their respective schools and junior colleges including day, date and time of exam

Exam is organized for a couple of days and students are made to enroll in this campaign.

The exam is conducted and result is kept ready for counselling.

Students are asked to remain present on the day of counselling with their parents along with them.

During this activity students were benefited with upcoming SSC and HSC time table.
