Report

Date: 17th October 2022

The campus interview held at Amruteshwar Arts Commerce and Science College on 17th October 2023 was a resounding success, providing a platform for our third-year BA, BCOM, and BSC students to interact with representatives from QH Talbros Ltd Shirval and explore placement opportunities in the assembly and production department.

The event commenced with registration and check-in, where students enthusiastically registered for the campus interview. Following that, a briefing session was conducted to provide students with important instructions and guidance regarding the interview process. The session aimed to alleviate any concerns and i the campus interview nstill confidence in the participants.

A highlight of the day was the company presentation by QH Talbros Ltd Shirval, where representatives from the organization showcased the company's work culture, career prospects, and expectations. Students gained valuable insights into the assembly and production field, deepening their understanding of industry requirements and future career paths.

The resume screening and shortlisting process took place, allowing the company officials to identify candidates who met the criteria for further interviews. Interview were conducted between 1:00 PM and 2:00 PM, where students had the opportunity to showcase their skills, knowledge, and potential contributions to QH Talbros Ltd Shirval.

Throughout the campus interview, students exhibited professionalism, preparedness, and enthusiasm. Their performance reflected their dedication to securing promising careers in the assembly and production field. The HR officials from QH Talbros Ltd Shirval commended our college for nurturing talented and competent students.

We express our sincere appreciation to QH Talbros Ltd Shirval for their active participation and support in making this campus interview a success. Their presence and engagement provided students with valuable industry exposure and opportunities for growth.

We extend our heartfelt gratitude to the Placement Counselling and Employment Guidance Committee for their diligent efforts in organizing the campus interview, ensuring seamless coordination, and guiding students throughout the process.

Overall, the campus interview served as a stepping stone for our students' successful transition from academia to the professional world. It not only provided placement opportunities but also enhanced their employability skills, bridged the academia-industry gap, and fostered partnerships with reputed organizations.

We are confident that the campus interview will lead to fruitful employment prospects for our students, enabling them to embark on rewarding career journeys in the assembly and production field. We wish all the participating students the best of luck in their future endeavours.

Thank you.

A Seminar on
“Various Aspects of Women’s Day”.

Internal complaint committee (Previously known as Women’s grievance Redressal cell) of Amruteshwar Arts, Commerce and Science College, Vinzar in collaboration with Jana Prabodhini, Pune organized a seminar on “Various Aspects of Women’s day” on 8th March 2023. The program was organized on the occasion of International Women’s day.

Mrs. Vandana Kamthe from Jana prabodhini is invited to address the topic. She has a huge experience in social work. She mainly has an experience of work for women. She started her talk with a brief history of women’s day. She focuses on the fact that a mere one-day celebration is not sufficient for uplifting a woman. We should implement the policies with long-term goals for women. Women themselves have to work for them. Every woman should acquire a small skill like driving, banking, etc. which make them independent. She shares her own experiences which are quite inspiring. She also spent a couple of minutes on a one-to-one interaction with our students.

Students enthusiastically participated in the program. About 67 participants actively participated in the seminar out of which 41 are girls and 26 are boys.

All teaching and non-teaching staff member of Amruteshwar Art’s, Commerce and Science College, Vinzar worked hard for the successful execution of the program.
