Report

Date: 17th October 2022

The campus interview held at Amruteshwar Arts Commerce and Science College on 17th October 2023 was a resounding success, providing a platform for our third-year BA, BCOM, and BSC students to interact with representatives from QH Talbros Ltd Shirval and explore placement opportunities in the assembly and production department.

The event commenced with registration and check-in, where students enthusiastically registered for the campus interview. Following that, a briefing session was conducted to provide students with important instructions and guidance regarding the interview process. The session aimed to alleviate any concerns and i the campus interview nstill confidence in the participants.

A highlight of the day was the company presentation by QH Talbros Ltd Shirval, where representatives from the organization showcased the company's work culture, career prospects, and expectations. Students gained valuable insights into the assembly and production field, deepening their understanding of industry requirements and future career paths.

The resume screening and shortlisting process took place, allowing the company officials to identify candidates who met the criteria for further interviews. Interview were conducted between 1:00 PM and 2:00 PM, where students had the opportunity to showcase their skills, knowledge, and potential contributions to QH Talbros Ltd Shirval.

Throughout the campus interview, students exhibited professionalism, preparedness, and enthusiasm. Their performance reflected their dedication to securing promising careers in the assembly and production field. The HR officials from QH Talbros Ltd Shirval commended our college for nurturing talented and competent students.

We express our sincere appreciation to QH Talbros Ltd Shirval for their active participation and support in making this campus interview a success. Their presence and engagement provided students with valuable industry exposure and opportunities for growth.

We extend our heartfelt gratitude to the Placement Counselling and Employment Guidance Committee for their diligent efforts in organizing the campus interview, ensuring seamless coordination, and guiding students throughout the process.

Overall, the campus interview served as a stepping stone for our students' successful transition from academia to the professional world. It not only provided placement opportunities but also enhanced their employability skills, bridged the academia-industry gap, and fostered partnerships with reputed organizations.

We are confident that the campus interview will lead to fruitful employment prospects for our students, enabling them to embark on rewarding career journeys in the assembly and production field. We wish all the participating students the best of luck in their future endeavours.

Thank you.

Sincerely,

Prof. Prakash Chikte
