**Subject: Letter for Appreciation.**

Respected Sir,

We are writing this letter to extend my heartiest appreciation towards you for delivering such a wonderful lecture one day seminar on "Various Aspects of Women's Day" held at our college on 8<sup>th</sup> March, 2023. We truly appreciate the way in which you put this subject in a very simple language in front of us. You have a huge experience of work for empowerment of women which really get reflected in your talk. We, once again, would like to thank you and also appreciate you for your hard work in your field and hope to get a chance to meet you again. We wish you a success in the field of your work ahead.

Yours sincerely

**A Seminar on  
"Various Aspects of Women's Day".**

Internal complaint committee (Previously known as Women's grievance Redressal cell) of Amruteshwar Arts, Commerce and Science College, Vinzar in collaboration with Jana Prabodhini, Pune organized a seminar on "Various Aspects of Women's day" on 8<sup>th</sup> March 2023. The program was organized on the occasion of International Women's day.

Mrs. Vandana Kamthe from Jana prabodhini is invited to address the topic. She has a huge experience in social work. She mainly has an experience of work for women. She started her talk with a brief history of women's day. She focuses on the fact that a mere one-day celebration is not sufficient for uplifting a woman. We should implement the policies with long-term goals for women. Women themselves have to work for them. Every woman should acquire a small skill like driving, banking, etc. which make them independent. She shares her own experiences which are quite inspiring. She also spent a couple of minutes on a one-to-one interaction with our students.

Students enthusiastically participated in the program. About 67 participants actively participated in the seminar out of which 41 are girls and 26 are boys.

All teaching and non-teaching staff member of Amruteshwar Art's, Commerce and Science College, Vinzar worked hard for the successful execution of the program.
