Students Satisfaction Survey analysis

Academic Year 2021-22

Sample size of the survey: - 26.73% of the total student strength i.e.177 students were filled the questionnaires.

Sample selection method : Random stratified survey method was applied to conduct this survey. The random students of all faculties, classes, genders were selected for the survey.

Survey Mode: This survey was done through Online mode.

According to the students satisfaction survey 100% students have answered this type of online survey for the first time. The 80% of students answered survey are of the age group between 18 to 20. There are a 46.9 % female students and 53.1 % male students filled the survey. As the college has only U.G. courses, 100% of students are pursuing bachelor degree programme. 33.1 % of commerce students and 56.7 % of Arts faculty and 10.1 % of science faculty students have answered this survey. Near about 88.6 % students have agreed that 70 to 100% syllabus had been completed during the year. 88.7 % satisfaction result regarding teachers' well preparedness while engaging classes.

78.8% students have agreed to teachers' consistency in communicating effectively in classes. 27.9 % students described teachers' approach in classes as 'very good' and 54.2% students described it as 'excellent'. Fairness of the interval evolution process has been described as 'always fair' by 73.2 % students. 73.7 % students have agreed that teachers give various assignments after completion of topics and discuss the same with the students.

The institute has taken an initiative in promoting internship, The department organize field visits for students to create opportunities for practical learning on a regular basis. 76.5% students have expressed

satisfaction on initiatives taken by the college to promote

internship and field visits. Almost 89.4% of students agreed that the teaching and mentoring process in the institution facilitates student in social and emotional growth. 89.4 % students have agreed that the institution provides multiple opportunities to learn and grow, 88.8 % of students strongly agreed that the teachers have every time informed them about their expected competencies, course and program outcomes. Near about 88.8 % students have responded positively that the teachers have illustrated concepts through examples and applications every time. 87.7 % of Teachers fully identify the strengths of the students and encourage them with providing right level of challenges. 88.9 % of the teachers do identify weakness of the students and help them to overcome their weakness. 89.9 % students have agreed that the institute takes efforts to engage students in the monitoring, review and continue quality improvement of the teaching learning process.

Action Taken Report

The student centric method and efforts are made by the institute / teachers to inculcate soft skills and employability skills.

The college strives to satisfy each and every student of the college on every aspect of teaching-learning process, co-curricular, extra-curricular activities. The disagreement, dissatisfaction, adverse opinions have been discussed in the I.Q.A.C. meeting. The satisfaction survey analysis report was presented and discussed in the meeting. The scope and areas for improvement were identified and the measures to address these issues were also discussed in the meeting. It was decided that the I.C.T. infrastructure for the classrooms be improved so as to make teaching-learning process more efficient. It was also decided that the Teacher training workshop be organized to improve communicative and teaching skills of students.
